## What you'll get

A full day workshop that focuses on the skills and systems they need to become a high performing team.

This programme is designed for those who have completed our Empowering Teams programme and are ready to move to the next level of performance.

The goal is self managing, high performing teams where the collective performance is greater than the sum of the contributing parts....giving you the independence and time to focus on the things that will really make a difference to you.

## How we can help you...

High Performing Teams realises the often untapped potential where high performing teams and great work systems align.

Explore, Learn and Understand...

- The principles of high performing teams
- How these principles appropriately show up
- More secrets of great team relationships
- How innovation can be captured without compromising Business As Usual (BAU)
- Self managed team optimisation

Harness and build on the power of your team, optimise performance and gain more time...
