

8 Steps...

To Increasing your Team's Productivity

"Great couple of days. Fantastic interactions, learnt heaps, leaving with a smile on my face and didn't feel like work. These guys are awesome"

Chris Guzzwell
Operations Manager, Rob May Builders

What you'll get

A programme that is devised by industry professionals to meet the specific needs of people management within the agribusiness sector.

Eight 90-minute intensive and fun activities in Zoom workshops with a focus on building knowledge and the practical application of skills.

Excellent resources to support ongoing learning after the programme.

Access to further resources and tools via our 8 Steps Alumni programme so you can keep up to date with your development.

Our 8 Steps Programme will help you...

Understand the 8 Management Steps critical to your success as an operational leader:

- Step One Motivation and Engagement
- Step Two Communication
- Step Three Performance Management
- Step Four Coaching and Delegating
- Step Five Workstyles and Personality
- Step Six Building a Team
- Step Seven Time Management
- Step Eight Getting Action

Get the right management behaviours to get the best outputs and productivity from your team.
